Nick Stanton Leader of Southwark Council spoke at the launch

"This is an exciting way for the Council and its partners to be able to keep in touch with local people about the services that really matter to them. We are delighted to be leading the way and look forward to other areas following our example."

CCN supplies partnerships with dedicated, managed television networks throughout their districts. These networks showcase the partnerships' achievements, results and the positive changes taking place within their communities. By broadcasting updateable, informative video and emergency messages, the system enables the partnerships to communicate, engage, consult and provide reassurance to both the general public and the business sector.
